**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save the competition as AT&T has shown that they can be abusive when their competition is limited.

They will slowly raise prices quietly without explanation and without recourse.

We have been a victim of AT&T for decades and it would be nice to have some relief. We live in a rural area and so we are more subject to getting squeezed which AT&T are so good at.
